The information provided on this request is itself held confidential by the Property Appraiser; however, it may be released upon entry of a court order. Upon submittal of this request, I agree to indemnify and hold harmless the Property Appraiser and staff for actions, reactions, or events that may be the direct or indirect result of this request. I understand the suppression of my information may present issues should I later choose to list my property for sale, refinance, shop for insurance, or attempt to pull permits for work performed to the property such as roofing, air conditioning, fencing, etc; as most companies engaged in these industries rely upon data published in the public records of the Property Appraiser. I understand it is my responsibility to retain copies of my tax notices to supply to agents, contractors, or permitting agencies for such purposes. Such sites may have previously obtained property information from this office, a property information service, or previously 'scraped' data, and may have cached such information. Furthermore, I understand this request does not cover the blocking of my name and address from any documents such as but not limited to deeds, mortgages, liens, and permits, either recorded in the public records of Lake County or held by any other government agency and which may be linked via a web link to or from the Property Appraiser's website. For suppression of documents recorded with the Lake County Clerk of the Courts, please select the following web link.

I understand that the normal update cycle of the Property Appraiser's website is weekly and that during certain times of the year it may be extended due to tax roll production. Therefore, I understand that my information will be updated as timely as possible and feasible by the Property Appraiser. I understand it can not and will not be removed from the site immediately upon submission of this request due to update cycles.
