

Instructions for Completing the Florida Residency Affidavit

In order for you to apply for Homestead Exemption when you do not have one or more of the required methods of proof of Florida residency, you will need to complete a Florida Residency Affidavit. Please follow these instructions:

- Each individual owner must complete and submit an affidavit.
- You must sign the affidavit in the presence of a notary and a witness. You can take the document to any notary but you will need to bring one witness with you. Your bank will notarize the document for you and sometimes provide one witness, but you should call to find out their requirements. The Property Appraiser does not provide notary services.
- Once the form has been signed and notarized, please take it to the recording department at the Lake County courthouse for recording. **This form must be recorded in the public records of Lake County.** Their phone number is (352) 253-2600.
- After recording, you will need to drop off a copy to our office or mail a copy of the recorded form to:
