LAKE COUNTY PROPERTY
# APPRAISER TAX ROLL and GIS
MAP DATA PRICE LIST

Contact: Rob Brown at rabrown@lcpafl.org with questions on tax roll / appraisal data.

The Lake County Property Appraiser (LCPA) no longer provides custom data requests. LCPA's tax roll data is offered for free on our FTP site. The data is provided in both a csv and excel formats. Data is updated once a month around the 15th of each month. The files provided are:

File Name:	Contents
Area	Contains building sub areas and their square footages including, effective, gross, and heated area for each building on a parcel.
Bldg	Contains building various informaation on each building on a parcel. (Ex. Residential/commercial, extrior wall types, AYB/EYB, values)
Land	Contains land line information for each parcel
Legal with Living	Contains legal description and and total living area for the building
Misc	Contains any miscellaneous features on a parcel. (ex. Pool, utility bldg, and detached garage)
Sales	Contains all sales data for the tax roll
NALExtractPublic	Contains ownership information, land use codes, values, and exemption information among other data.

Connection information: ftp://ftp.lakecountyfl.gov/pa_office

Copy the link above. Then open windows file explorer and paste it into the address bar.

Hit enter. If you use an ftp client connect as guest or anonymous/anonymous.

GIS Map Data, Aerial Imagery, and Special Requests:

Geodatabases and Shapefile downloads available for free at ftp://ftp.co.lake.fl.us/GIS/GisDownloads/

Half Section Tax Maps in PDF format are available for free at: http://www.lakecopropappr.com/tax-maps.aspx

NOTE: We are unable to produce large scale plots of property tax maps. PDFs can be printed by commercial printers or big-box office supply stores. We may be able to accommodate certain GIS data custom projects depending on the time of year, workload, and project lead-time. Contact Joe Ward at jward@lcpafl.org or 352-253-2174 to discuss the details of your request and whether it can be accommodated. (cost dependent upon labor, materials and processing) Custom map data will be provided in a file format for download via the above listed FTP site. We do not produce hard-copy plots. $50.00 & up

2020 Aerial Imagery:

County-wide 2020 Aerial Imagery is available on our FTP site for free in the MrSid format.

Effective January 1, 2022
